

ADVANCED MANUFACTURING

Advanced Manufacturing Industry Advisory Panel Discussion

Applicable to Manufacturing & Engineering Sectors

Friday, October 16, 2020 - 9:30 AM to 12:00 PM

Please join us for invigorating conversations bringing together educators and business professionals to discover the latest industry trends, employer demands, employment skills needed, and training practices.

- GOAL -

To insure curricula and programs are responsive to industry needs; to prepare a highly skilled workforce.

- INDUSTRY -

Your partnership is critical in building a Strong Workforce - please join us!

- EDUCATORS -

This meeting may meet and exceed CTE Grant Advisory requirements (Perkins).
