

# iMAKE INNOVATION CENTER micro:bit WORKSHOP

GETTING LIT WITH THE MICROBIT

**EVERY TUESDAY • APRIL 20 - JULY 13**  
**3 - 4 PM VIA ZOOM**

The micro:bit is a pocket-sized computer that makes coding easy and fun for all skill levels. With a micro:bit individuals can express their originality, find their digital creativity, and learn how software and hardware work together.

Registration is FREE. Sign up at [microbit.eventbrite.com](https://microbit.eventbrite.com)
